Dear Madam/Sir,

For: B.D.S

RE: Invitation of participants to the Pre-Term 1 District Teacher Training with Educate! Rwanda

With the aim of supporting the implementation of the Entrepreneurship Competence Based Curriculum in more A' Level secondary schools in our country, the Rwanda Education Board (REB) in partnership with Educate! Rwanda is organizing the pre term 1 District Teacher Training for entrepreneurship teachers from 30 districts that are part of the Exchange Program 2.0.

Educate! Intends to extend its activities in 661 more schools with the support of 163 master trainers for this coming academic year so that they are able to transfer the attained knowledge and skills to their peers and support other schools that Educate! has not worked with before through various CPD activities (like classroom lesson observations, SBI training and exchange visits).

It is in this context therefore that REB invites 1092 Entrepreneurship teachers to the first 2023/2024 Pre-Term training scheduled from 11th to 13th Sept 2023 at different venues in all 30 districts.

The entrepreneurship teachers in the 661 schools will participate in Pre-Term teacher training which will be conducted by Master Trainers and Educate! Rwanda's staff.
