Mayor of District (All)
District Executive Administrator (All)

Dear Sir/Madam,

Re: Invitation of teachers to attend the orientation of teachers on the remedial Program for national Examination Candidates

The Ministry of Education (MINEDUC) recently published Ministerial Instructions governing National Examinations, stating that candidates will receive a certificate if they achieve an average weighted percentage of at least 50% in the National Examinations. While initially applied to Senior 6 Examinations, this passing criterion will also apply to all level of National Examinations starting in the 2024/25 academic year. Additional support will be provided to students facing challenges in their studies to help them deepen their learning and develop the required competences to progress to the next level of education.

To address this need, the Ministry of Education, in collaboration with the Rwanda Basic Education Board (REB) and the National Examination and School Inspection Authority (NESA), has developed a **remedial Program**. This program is specifically designed to assist students preparing for the 2024/2025 National Examinations by focusing on improving performance in key subjects through tailored interventions.

The Rwanda Basic Education Board is pleased to invite teachers from your district, as listed in the attached document, who teach classes with National Examination candidates, to attend the orientation of teachers on the Remedial Program. This orientation is scheduled to take place on 19th January 2025, starting at 8:30 AM, at the designated training center indicated in the attachment.

All costs related to this activity will be covered by REB-SPIU. For more information, please contact **Mr. MURASIRA Gerard**, the Director of the Teacher Training Unit via email: gmurasira@reb.rw or Tel: 0788625992 or **Mr. NKUNDIMANA Alphonse**, Physics and Mathematics Teacher Training Officer via email: ankundimana@reb.rw or Tel: 0781052047.

Yours sincerely,
