Dear Sir/Madam,

Re: Identification of Teachers who will participate in Holiday Remedial Learning 2025

The Ministry of Education has adopted the Remedial Learning Program as an effective strategy to support learners facing academic challenges in meeting grade-level competencies. Currently, Rwanda Basic Education Board (REB) in collaboration with various partners, is implementing this program through two approaches: in-school remedial learning and after school remedial learning (weekend and holiday).

To ensure the successful and coordinated execution of this program, REB plans to conduct Holiday Remedial Learning at the end of the school year 2024-2025 for learners who do not meet grade-level requirements. One of the key activities in the process of conducting remedial learning is identifying teachers for foundational learning who will participate in the holiday remedial sessions in their schools.

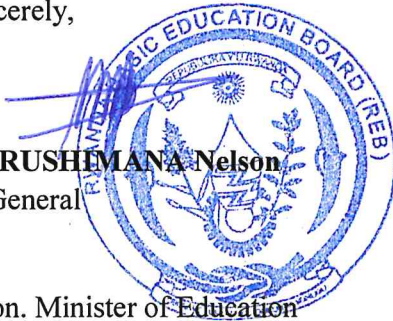

In this regard, the Rwanda Basic Education Board kindly requests you to provide the list of teachers who teach Kinyarwanda, English, and Mathematics in your District, Sector and by school not later than **26th February 2025**. A data collection sheet for reporting is attached for your consideration.

For more information, please contact **Mr. KIMENYI Angelo**, Pedagogy and Remedial Specialist via Tel: +250786554862 or Email: akimenyi@reb.rw

The Rwanda Basic Education Board appreciates your time and collaboration.

Yours sincerely,

Dr. MBARUSHEMANA Nelson
